Introduction

Healthy Child Care Colorado is hosting a series of huddles to elevate needs that arise and provide information that can support child care programs throughout the COVID-19 crisis.

What is a huddle?

A huddle is a short meeting that occurs frequently so teams are informed and aligned. Huddles also provide a venue for participants to share, celebrate, and motivate one another.

Huddle Etiquette

- Please keep yourself on mute
- Use the chat box to ask questions
- You are able to click on the links that are shared throughout the presentation

Provider Survey

The purpose of this survey is to assess available capacity in center-based, in-home and private child care options, to help provide backup child care for essential personnel during the COVID-19 situation.
