

## Pyramid Facilitator Certification

### Key Information

#### Introduction

Healthy Child Care Colorado's (HCCC) mission is to build safe, supportive, and healthy early childhood settings and systems where children and professionals learn and grow.

Obesity Prevention

Social & Emotional Well-Being

Oral Health

Injury Prevention

HCCC serves as the statewide Pyramid Network Hub. The purpose of this Hub is to promote the social-emotional development and inclusion of all children ages birth through five by supporting and expanding evidence-based Pyramid practices in Colorado.

#### Description

The Pyramid Facilitator Certification is an intentional professional development pathway designed to support professionals in their efforts to improve and support the capacity of state systems, communities, and local programs that implement the Pyramid Model. The Pyramid Model is an early childhood multi-tiered system of support to improve the social, emotional, and behavioral outcomes of young children with, and at-risk for, developmental disabilities or delays.

The ten-month program runs annually from late-August to mid-June and includes opportunities to learn and practice strategies to effectively facilitate Pyramid training and coaching as well as utilize observation tools and participate in program-wide leadership team planning.
