

Colorado's New Pyramid Model Training

Communication Tool Kit

Overview:

We're excited to share that the new **Colorado Pyramid Model Training** launched on August 1, 2024! While the Pyramid Plus Approach will still be available until October 31, it will be retired on November 1st, making way for the Colorado Pyramid Model Training of Special Recognition.

Key Messages:

- The **Colorado Pyramid Model Training of Special Recognition** launched on **August 1, 2024**.
- This comprehensive **50-hour series-based Training of Special Recognition** combines **national content** with **Colorado-specific “bookends,”** tailored to address the unique needs of our state.
- When delivered by a Certified Pyramid Facilitator, the 50-hour training counts as a *Training of Special Recognition* in the Professional Development Information System (PDIS), opening various pathways for professional and career development.
- The Pyramid Plus Approach Training will formally retire on November 1, 2024, allowing for a 3-month phase out approach.
- For those who have completed the Pyramid Plus Approach training and received the Training of Special Recognition badge in the Professional Development Information System (PDIS), it will not expire and there is no requirement to take the new training.
